09:30 AM CYPRUS TIME

19:30 PM CYPRUS TIME

#### **RULE NR.I:**

WEAR GOOD, COMFORTABLE
DARK SHOES THAT ALLOWS
YOU TO STAND ON YOUR FEET
FOR HOURS AND SUIT YOUR
T.O. OUTFIT

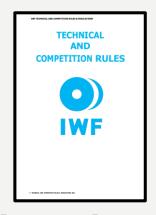

#### A TECHNICAL CONTROLLERS IS.....

Required to assist;

Technical Controller (TC) must be active,

have full knowledge of the TCRR, and must be able to maintain order

Competition Director

Jury President

The TC must be on time and also keep an eye on the warm-up area. It becomes a difficult task if the warm-up area is not directly in or at the venue

TC MUST MAKE SURE THAT ONLY
AUTHORIZED PEOPLE ARE IN THE WARM-UP
AREA???!!!!

#### CHECK EQUIPMENT BEFORE THE COMPETITION

- Plates, bars, collars, magnesium, rosin: Not missing? Enough? Clean?
- Safe stage? (any nails, staples, gaps...???)
- Cleaning bars/platform equipment? (brushes, mops, disinfectant etc.)
- Clean venue? No garbage? (consider live streaming, photos..)
- Monitors in W-up area: Switched on? (Scoreboard, Attempt Board, movie)
- Red and white flags for Referees?

If you find anything missing, report to Jury President / Competition Director to take care of this as soon as possible

#### **Main Duty of Technical Controller**

- Ensures all on-duty TOs wear the correct uniform
- Manage and control the athlete's and Technical Officials presentation
- Inspects athletes' outfit and correct when necessary
- Ensures that only authorized Coaches accompany Athletes in the warm-up area
- Monitors lifting order and ensures correct Athlete according to the announcement goes on to the stage
- Controls cleaning of the Bar and the Platform
- Ensures Athletes' safety (especially in case of injury)
- Assists Victory Ceremony preparation

## The TC prepares and guides athletes to their presentation at the competition platform

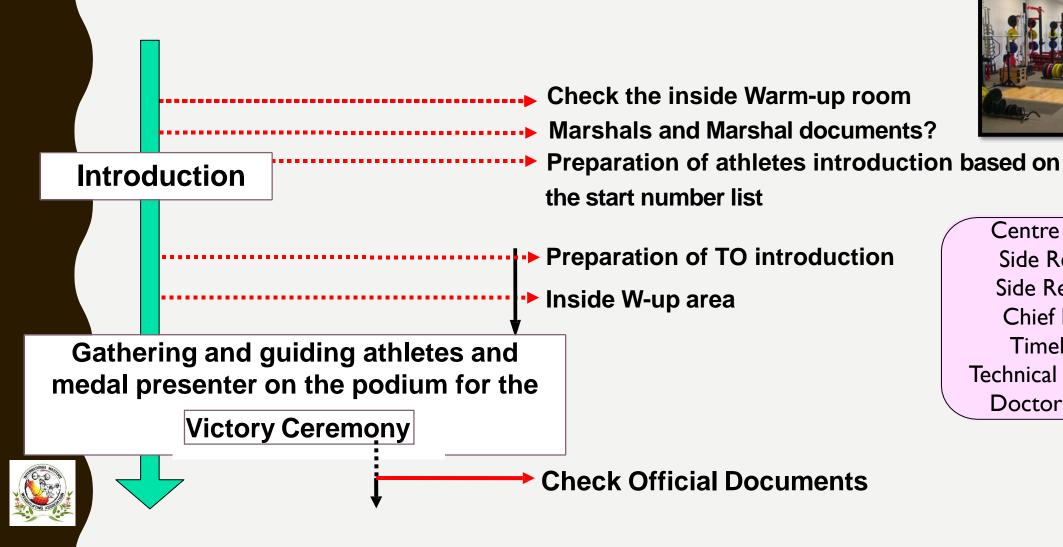

To ensure that the TCRR are being correctly followed and applied.

#### THE TC MUST CONTROL AND SUPERVISE:

Centre Referee
Side Referee I
Side Referee 2
Chief Marshal
Timekeeper
Technical Controller
Doctor on Duty

# THE TC ENSURES ALL ON-DUTY TO'S WEAR THE CORRECT UNIFORM

The TC inspects the athletes' outfit and correct when necessary

If an athlete wears a full body unitard than the TC cannot see everything.

By female athletes a female TO may check for underneath belt or tape on elbow(s)

By male athlete a male TO may check for underneath belt or tape on elbow(s)

Athletes MAY wear any of the following for their competition

#### COSTUME (4.2)

Athletes must wear only one costume which complies with the following criteria: (4.2.1)

- Must be one piece.
- Must be collar-less
- May be of any colour
- Must not cover the elbows
- Must not cover the knees

must not be used it for political, racial or religious demonstration

#### ADDITIONAL TECHNICAL RULE RELATING TO MASTERS WEIGHTLIFTING REGARDING THE COSTUME OR 'SINGLET' RULE

The design on the upper thigh must be cut in a horizontal fashion such that the gluteal fold always remains covered.

Ideally, the weightlifting costume worn by a Masters athlete should be similar to that worn by senior athletes of their home country at IWF international events. Bikini cut designs are unacceptable on IMWA competition platforms for both genders.

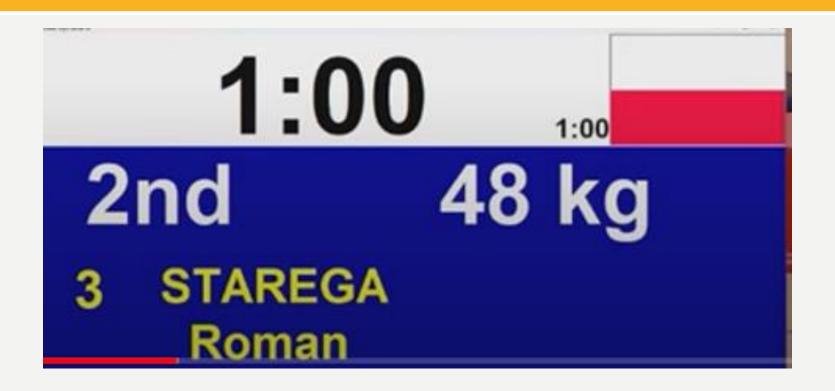

#### The TC MONITORS the ATTEMPT BOARD to ensure that the correct athlete goes on the competition platform

Listen to the announcement

#### IMWA DOES NOT USE BIB NUMBERS

- Look at the Attempt Board
- Observe the Scoreboard monitor from time to time to expect which athletes will be called soon

# TC INSPECT ATHLETES' OUTFIT AND CORRECT WHEN NECESSARY

# THE CLOCK WILL NOT STOP FOR ATHLETES TO LIFT IN THE APPROPRIATE OUTFIT!!

You must inspect the outfits before the Snatch, before the C&J and during the competition in the w-up area.

If the warning is early, they have enough time to change.

#### **Never GO UP on the Platform to give a warning**

Ugly!

Looks bad for spectators!!

BELT UNDER THE COSTUME IS NOT PERMITTED

Devices,
however
for deaf
adaptive
lifters,
hearing
aids are
permitted

#### WHEN YOU CONTROL COMPETITION

Athletes are the most important consideration

**How to allow Athletes to concentrate?** 

If there are many good results,

Competition will end in a big success !!

# ATHLETES MAY GO UP ON THE STAGE ONCE THEY ARE CALLED

7.8.7 (Technical Controller's duty);

"Ensure the correct athlete according to the Speaker's announcement goes on to the competition platform / stage, even during the loading of the barbell."

Make athletes comfortable. Don't disturb them

NOTE: You must stop Athletes if they are going to the stage before they are called.

#### TC'S ARE NOT THE POLICE

There are Technical Controllers who stop Athletes from going up onto the stage until the clock starts.

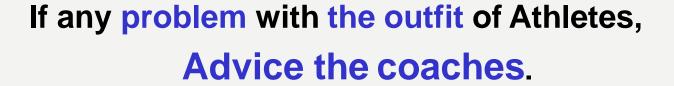

# TC MUST NOT TOUCH THE ATHLETES. USE WORDS, GESTURES AND EYE CONTACT FOR COMMUNICATION ONLY IF ABSOLUTELY NEEDED

Touching Athletes can also disturb their concentration.

Especially, just before their attempts.

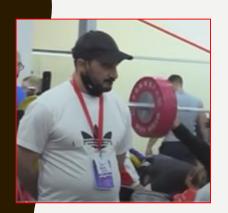

Even if you must stop Athletes going up on the stage for some good reasons, use cooperative methods!

Try to stop them by using words, gestures and eye contact.

# IT WILL BE EASIER IF YOU IMAGINE YOURSELF...

"as the Athlete..."

"as the Coach..."

"as a member of the Audience..."

It will be easier for you,

to identify the problems, and solve the

problems.....or to have 2 Technical

Controller per platform

## THE TC SHOWS TO COACHES UP TO WHAT POINT NEAREST TO THE COMPETITION PLATFORM THEY ARE ALLOWED TO STAY, VERBALLY GUIDE OR WATCH THEIR ATHLETE'S LIFT

# TC keeps an eye on the competition area and communicates with the loaders for cleaning of the barbell if needed

#### TALK WITH LOADERS IN ADVANCE

Never touch injured Athletes until directed by Competition Doctor

Loaders are nice to hide injured Athletes during Doctor's quick examination on the

stage

#### TC MUST ENSURE ATHLETE'S SAFETY

- Technical Controllers must stop Coaches from going up on to the stage when Athletes suffer injuries.
- Only the Competition Doctor can touch the Athletes in case of injury.
- The Jury will stop all actions until the Competition Doctor finish their examination on the platform.

Only by the order of the Competition Doctor, TOs / Team Officials can help injured Athletes.

#### TC ASSIST THE VICTORY CEREMONY PREPARATION

- Check the official results and find who are the medalists
- Assemble the medalists and medal presenter

#### PLEASE MAKE SURE

- Medal Winners cannot take electronic No mobile phones! devices onto the podium
- Medal Winners cannot be accompanied by any other persons.
- Participants of Victory Ceremony must not use it for political, racial or religious demonstration

#### **GOOD TO KNOW:**

## IMWA DOES NOT USE ATHLETE'S CHALLENGE CARDS AND THEREFORE NO VIDEO REPLY

HOWEVER:
Always be ready for something unusual!!

#### WHEN YOU STAY BESIDES THE PLATFORM

- Keep eye contact with the Jury
- Have a look at the Jury Table after each attempt (decision reversal, bar cleaning, outfit issue, etc.)
- Jury may stop the competition
- When Jury President looking at other Members, left and right, seriously, Jury may stop the competition
- When Jury reverses the decision, mostly you will be called to the Jury Table and asked to deliver the information to TIS Operator, Speaker and the relevant athlete/coach
- Cooperate with your colleague Technical Controller
- When competition is stopped and you are called by Jury, ask your colleague to come nearby the stage not to allow any Athletes to up on the stage
